

Business Naming Checklist

Branding Considerations

- Easy to pronounce and spell
 - Relevant to your product, service, or values
 - Short and memorable
 - Not too niche (allows room for growth)
 - Feels right to you and your audience
-

Name Availability Check

- Not already in use by another business
 - Available on Companies House
 - Domain name available (e.g., .co.uk or .com)
 - Social media handles available and consistent
 - No conflicting or similar trademarks (Search here)
-

Legal Compliance

- Doesn't use sensitive or restricted words (e.g. "Royal," "Charity," "Bank")
 - Isn't misleading or offensive
 - Complies with naming rules for your chosen business structure
-

Optional Protection

- Consider registering the name as a trademark for brand protection
-

Final Testing

- Ask for feedback from potential customers or peers
 - Make sure the name doesn't have negative connotations in other cultures
 - Say it aloud—does it sound natural and professional?
